

The Royal Yachting Association, based in Hamble, is the national governing body for the sports of sailing, windsurfing, motor boating and powerboat racing.

PLANNING AND ENVIRONMENTAL ADVISOR

The RYA is seeking to appoint a Planning and Environmental Advisor to monitor and respond to all issues relating to the management and planning of the marine and inland environment. This will include the protection of recreational boating interests on both tidal and inland waters, the protection and creation of boating facilities, including moorings, anchorages, harbours, and shoreside facilities.

Reporting to the Legal and Government Affairs Manager the post holder will identify future planning and environmental threats to recreational boating interests and influence UK Government and international policy on these issues.

The successful candidate will hold a relevant professional qualification. Ideally with a knowledge of boating, they will have excellent oral and written communication skills, with the ability to represent the RYA at government level.

Salary £32,460 pa, rising to £36,070 pa,

35 hours per week

Range of benefits including free parking, pension scheme, free life insurance, 25 days annual leave plus public holidays.

A full job description and application form can be downloaded from www.rya.org.uk, About Us, Job Vacancies, or call Lesley on **02380 604105**, or e-mail jobs@rya.org.uk

Closing date for applications: Friday 5 March 2010

Interviews to be held: Wednesday 17 March 2010

The RYA is committed to equality of opportunity
