

NORTHUMBERLAND COUNTY COUNCIL

Marine Site Implementation Officer

SO1, £24,646 - £26,276 pa, 37 hpw

Fixed term appointment, initially for one year with the possibility of an extension depending on funding - Ref: DRS43

You will be responsible for the implementation and development of the marine part of the integrated Northumberland Coast AONB and Berwickshire and North Northumberland EMS Management Plan. This will require the ability to work closely with existing stakeholders and to identify and develop new partnerships. Working closely with the Northumberland Coast AONB team you will initiate and deliver work to further the objectives of the Management Plan. You will advise and represent the EMS Management and Advisory Groups and promote the special qualities of this internationally important marine site.

You will possess:

- Recent experience in a relevant area of marine conservation
- A degree or equivalent in a natural science related to the marine environment or in coastal management
- Experience in the preparation and implementation of conservation management plans
- Experience of project management and delivery
- Experience of partnership working

If you want to apply, please apply online at www.sector1.net or download a PDF application form. PC access is available in most libraries within the Northumberland area.

Closing date: Thursday, 25th February 2010.

ACTION FOR EQUALITY - We welcome applications from people with disabilities who will be granted an interview if the essential job criteria are met.
